“ Ernestine was always very special to me and my family. As a child, I loved being able to stay at her house and spend time with my cousin Pam. As I grew older, whenever we would visit our family in Virginia, we always looked forward to stopping by Ernestine's. She always had fresh baked apple pies waiting. She was a great cook and always loved having everyone at her home. She reminded me of Grandma Campbell in so many ways. Even though it has been a number of years since we have seen all of you, please know that we love you so much and that we are so sorry about your Mom/Grandma's death. Our thoughts and prayers are with each of you. Wish we could be with you to celebrate Ernestine's life and her homecoming with Jesus.
