

Hobart McKinley Honaker

August 27, 1932 - May 16, 2020

Hobart McKinley Honaker, age 87, of Whitewood, Virginia, drew his last breath on this earth on Saturday, May 16, 2020 at his home following a lengthy illness.

He was born August 27, 1932 and was the son of the late William Arthur Honaker and Lena Jane Blankenship Honaker. While working in Richmond, he was well known for taking a break everyday to walk his little canine companion, Benji. Hobart loved spending time with his family and church family. He devotedly read three newspapers a day, front to back. He loved bass fishing and was a proud Atlanta Braves fan. Hobart was a former member of the VFW Post #7360 Grundy, Virginia; Richlands Masonic Lodge #318 AF&AM; and was the overseer of area UMWA Locals. He was a lifetime resident of the area and is the last surviving member of his immediate family.

In addition to his parents, he was preceded in death by his first wife, Inez Matney Honaker; two sisters; five brothers; mother in law, Ocie Horn Davis Stacey; sister in law, Shirley Sturgill; and his canine companion, Benji.

“ Hobart was a great Virginian. It was my honor to work with him on many efforts to make our Commonwealth a better place for all our citizens, especially those who worked hard, raised their families and were so often and so easily neglected in the chambers of government. He had an uncommon compassion for the common man and woman, realizing with great clarity that they needed to be heard and remembered as the most important "special interest group." His cause was noble and difficult, but he always gave it his all. And because of Hobart, Virginia is a better place today.

My thanks and deepest sympathy go to his family.

“ I will always remember Brother Hobart's face when he came up out of the water at his baptism. He looked so happy and peaceful and often in church services I would see that same expression. He is now at rest, but our prayers will now be for his sweet wife, and my niece, Syvilla, who has been through so much; first with her mother's passing and now her husband. In both cases Syvilla was a caring and devoted provider of care for them both. Such devotion and caring is hard to find in

today's hectic world, but Syvilla never hesitated; she gave her all even though she has serious health problems herself. God Bless you my church sister and my niece. I love you. Aunt Adda Leah

“ Hobart had the most handsome smile, (if his eye twinkled you knew he was being sneaky lol) he was a loving man with great pride in everything, family, his appearance, his country and fellow man. I am grateful to have had Hobart in my life. He had a desire to leave the world better than when he came, and even amongst this pandemic, he succeeded. He will be greatly missed.
