“ So sad to see this obituary today. Ms Trump was my fourth grade teacher at North Tazewell Elementary. I loved her as a teacher and a person. I recall how beautiful she was inside and out. So sorry for your loss B.J.

“ BG-
Sorry to learn of your loss. Your mom and I taught beside one another for several years at NTES I enjoyed working with her and getting to know her. I recall you would visit her often at the school. Mrs. Trump was the epitome of a classy lady. She was a tough cookie who was respected. She loved teaching children and never gave up on any of them.
