“ Heart felt sympathy to you, Kasey! Janine was my sister from another mother. We started working together at War Annex and ended our teaching career at Southside. She was a wonderful friend and mother to you. May God give you comfort and strength. I will miss her .

“ Kasey, I'm so sorry for the loss of your mom, she was one special lady. I thought the world of her. We always messaged about our love of animals. We taught together at laeger Elementary, as I also worked at laeger high school with your dad. Your mom was one of the best teachers ever. Lord how she loved you! She would bring me tiny dresses and clothes to put on dolls, she had of you of when you were tiny. I just learned of her passing, I was in shock. She never said a word of anything, especially of not doing well. I know your heart is broken, she was a true educator, but mostly a devoted mom! My thoughts, heart and prayers with you and family.
