“ *Sorry for the delay in sending this message. I just wanted to say what a joy it was to have Cecil for my cousin. he always was such a happy person. I have so many fond memories from my childhood of going to aunt Sarah's house and hanging out. She taught me how to crochet. I crochet to this day because of her being so patient to teach me. The reunion in heaven I am sure was awesome. Looking forward to seeing them again there.*  
*Love*

“ *I attended Jewell Ridge Elementary School when I was in the first, second, and third grades(1958-61). Mr. Elswick was the custodian at that time and will always be remembered for his kindness to the children where he worked. He was a special man to all of us.*

“ On behalf of the family of Fred Smith (who was Cecil's uncle - brother of Sarah, I would like to honor Ray and Mike for the love and care they showed Cecil during his life. I know that it was not an easy task to care for him the past year but pray that God will richly bless you and your family for the love and sacrifice you made. May you obtain favor from the Lord .

“ I want to give honor where honor is due and anyone that knew Cecil knew what a fine gentleman he was. He was such a good worker and never allowed any physical infirmities to make him feel disabled. He worked hard and supported himself and is a fine example to his and future generations. Hard work never hurt anyone.

*I am sure there was great rejoicing in Heaven when this soldier make it home. Hope to meet you again in a land that is "far better".*
