*The last time I talked with you father, he was elated that all of you were doin so good. He loved the fact that God had given you such talent and ability. He was looking forward to celebrating a state championship this year, and talked about all of you going on to college. He was so proud, you could hear it in his voice.*

*None of you may know me, but I know that God has blessed all of you to have a father like Albert. God will never leave you, and I'm sure your father would want you to carry on with your talent, and I know its not going to be easy, but the true measure of a man is not how many times he gets knocked down, but how many times he gets up and carries on the fight. The greatest honor you could give your father is to keep using what God has given you, and no matter what may happen you will always be champions.*

*God bless all of you during this difficult time, our prayers are with you, and if you need anything, just tell Buddy, he will let me know.*

*God Bless*
