“ *So sorry to hear about Amos passing away. We visited him at the Nursing Home all the time and talked to him. We are so sorry we did not know until today that he passed away. He always ate with Dr. Moore and Hubert Leonard and I loved talking to him. I will always remember he said he did not like his name Amos. Prayers for you all. He was such an intelligent man.*

“ *While sympathy goes to those who loved him most, we all have lost another defender of our nation. Amos was a member of "The Greatest Generation", came home, worked hard and was a good citizen. We need more like him.*
