“ *Mr. Cox has been my neighbor for the past two years now. I knew his daily routine better than my own...he would leave the building around 6:30am and would be back by 9am (with a couple grocery bags in hand) daily. No matter where he saw me, he always had a smile and a kind word and would always make it a point to say hello to me. I am going to miss my sweet little neighbor! My thoughts and prayers are with each of his family members and friends! May God grant each of you comfort and peace during this most difficult of times!*
