“ *We went to Burke's Garden School. I am thankful that he was at the recent school reunion in 2010; and that I was able to talk with him at the time (the first time in over 30 years). I pray that his loved ones are finding peace in his absence. I am thankful that our lives touched and that we have roots in the same community.*

“ I have a lot of fond memories of Andy. Him, me and a Rudy boy from the Garden followed the dog and "bar" a long ways through Beartown to Red Oak Ridge. He was one of the tuff ones. Set his rifle up in corner of a sheep shed durin thunderstorm; lightin struck it and split the stock. Always wanted that rifle; figured it had a little bit of Heaven and a little bit of Hell in it.

Andy was a Top Dog Trainer. He got pups from me from time to time - His always made better dog than the majority of the Litter.

Visited him last fall at Chilhowie and we hashed over these "Old Times" - I'm sure gonna miss him - our Ranks are gettin mighty thin.

Goodbye good friend - Eddie
