Hello Cosby, and family. I want you to know i found my way here via the internet. I bought an old book at a thrift store in New Mexico. The book is titled Merry Hearts and Bold. On the inside, written in pencil, is Anna Ruth Wilson's name. On the opposite page, written in cursive, is what looks like Vearea Rene Walker, Cedar Bluff, Virginia. I would be happy to get the book to you if you're interested. Ruth's handwriting is cute. She wrote in all caps and her "N"s are backwards. 😊 Looks like she was pretty young when she wrote it. If you'd like to get in touch I'm Deanna Martin at 575 973 4342.

“ *I was able to spend an afternoon with her a few Christmas seasons ago, and was in awe at the adventures she shared with me. With all the family there, love was truly felt. Although she will be missed, she has left beautiful memories for all*
