“ *Message from Cole Carini: I just found out about Tony's passing and wanted to send my condolences to his mom. I could talk to Tony about anything. He gave me good advice, that I actually took. He had a sharp mind and great potential. He could have been a counselor. He cared about people and told me about being a paramedic.*

He often did random acts of kindness. He would surprise me with food he had made, and actually cooked me a full breakfast one time.

Dying at age 46 is definitely untimely, but I believe he is in a better place now. I will never forget him. Cole Carini
