“ *I am so sorry for your loss. I will never forget the memories that I have of April. Especially the time that I came to visit at Grandma's house with Dad and we were all in the creek and I saw a bull coming down the road and I looked back at my cousins to see what we were going to do and they were gone!! They left me and went into the woods. Being a city girl, I was afraid of the woods and went running up to the house, with that bull right on my heels! We all sat and laughed about that all night. I loved spending time with you guys. My thoughts and prayers are with you, all of you!! I love and miss you all.*

*Love,
Sharla*

“ April was a sweet person. Even though distance separated us most of the time I still enjoyed hearing about her and seeing her whenever possible. We actually just had a discussion a couple of weeks ago, it is just hard to believe that she is gone. She will be missed by me and everyone in the family.
