“ To the family of Archie,

*Know that I feel and share the pain of your loss as my mother--
Phyllis Lester (Archie's sister) died exactly one month preceding
his death.*

*I just found out about his death today and there are no words that
can describe the amount of compassion that I feel for your family.*

*I want you to know that it was my mom's heart felt desire to be close
to Archie. It is my belief as I am writing this, that they are together
holding hands watching over both of our families.*

*I am praying that God will hold you in the palm of his hands and
comfort you as He is comforting us.*

I pray for his grace and mercy in your lives
