“ *Although we have had many years apart I have many pleasant memories when we were growing up at home in St. John's Newfoundland, Canada. Just knowing that Clat is no longer with us, no mor visits no more phone calls makes me sad. I'm going to miss that. I just wish all the best to Tina Chris and David. I shall as always keep you in my prayers. To bad I can't be with you at this sad time. Aunt Effie and I wish you well. Bye Bye God Bless*

“ *I didn't think that I would ever live long enough to learn of (Clayton) my son's death. Rev. Gerald Benson told us of the sad news and our hearts are broken.*

“ Clayton spent most of his entire adult life away from home. I can remember as children he would make toys from cotton reels and elastic bands that could maneuver across the kitchen floor on their own. I was youngest, so I was the one who reaped the benefits of many hours of play. Clayton made visits home over the years and stayed at our house. I can picture in my mind *The Moon and Sun Glowing and Shining over a little hillside in The Mountains near Tazewell. My family will miss him and his memories will Glow and Shine in our hearts.*

“ Clayton, I hope you have an eternal rest, much better than you had on earth. You will be remembered fondly, for the good times, not the bad. Nan awaits you with open arms. Give her and mom a kiss for me.
Love Linda

“ I have not seen clayton for nearly 40 years but i remember him as a very friendly and kind person. He always looked serious but underneath he often showed his humourous side with lots of wit. My wife sheila and i would like to extend our heartfelt sympathy to the family.

“ I first met Mr. Hollett when he came by my office to sign up for town water. He always had a sweet spirit about him each time he came by to pay his bill. During the last few months, he came in less and less. I know he will be missed by all his family and friends and we will miss his visits.
