“ *Barb and (Ann) were/ are my dad's favorite ladies to pick on. He loved both of you all so much! Barb was truly one of the most beautiful,/ amazing woman that I had the pleasure of knowing and was able to call you my family. I know that God has a special plan just for you because you are a great person and truly a child of God. When you get there and walk through that gate, please give my dad a hug and kiss from me and tell him I love him and miss him so much. Barb you will be missed here on Earth but knowing that you are with my lord, not suffering anymore means the world. Rip Barb! Fly High!!!*
