“ *To Kathy and family my most heart felt thoughts and prayers are with you all. I worked for Kathy and Barry at the flower shop while in high school and he was just the most kind and sweet man as any I have ever known. I can remember joking around and he would give me such a hard time but was a shoulder for me and such an encouragement throughout the trials of a teenager. He would bring us dinner after long days and leave clubs for pick up and just sit and laugh and cut up. I can see him just grin at Kathy and see how happy they were was something I will never forget. He even tried to teach me to "hook it" at the bowling alley a time or two. He always took care of anything we needed without hesitation and treated me like one of his own. Barry was one of the people that when you meet them you never forget that laugh and that smile and I am blessed to have known him and will always remember "Pheobe".*

“ *Kathy and the McCann Family:*

God Bless You today and each day! I am very sorry for your loss. Barry was a great "Pro" and entrepreneur. He helped the Rotary Club of Tazewell for several years with their golf tournament. Barry was a wonderful friend and mentor to my son, Charlie, and I am very appreciative of all he did for my son and me. Barry was a special golf teacher and boy could "he crush a drive!" I will miss him along with many in the community. May God be with all of you!

Kathy and entire family: I was so shocked to hear of Barry's passing. I know we're not supposed to question God, but I will admit I find myself asking WHY someone we love is taken from us all too soon. I remember first meeting you and Barry as we bowled together, you and he were such great bowlers as your scores would more than tripple what I was able to do, but during that time the stepping stones of our friendship was taking place. To me Barry always seemed to be so happy-go-lucky, smile on his face and never out of place with anything indecent. I pray God will give you, his Mom/Dad and entire family and close friends peace and comfort. I pray God will wrap his loving, compasionate arms around you and keep you in his love. If I can do anything at all to help you, please don't hesitate contacting me. Love Norma

“ My heart felt condolences to you all - Kathy, Jack, Betty, and family. I played many a round with Barry back in high school. Became reacquainted with him, and Jack and Betty after he opened Precision Golf. Always had a smile and a kind word to share when I stopped in at the store. God has strong, broad shoulders. Rest in Him and He will give you all strength.

“ Thoughts and prayers to the family. I remember long haired Barry when I was a kid. Always fun and always had a golf club handy. I called him uncle but he was really my cousin. He will be missed and remembered. God knows how to build his neighborhood with the right people whether we like it or not. Hope to play a few rounds with him when and if I get there.

“ Kathy, My thoughts and prayers are with you and your family. May you feel God's loving arms wrapped around you during the days ahead. It is not always for us to know what God's plans are or why he takes people from us when he does, and I know it doesn't ease the pain, but I guess we can take comfort in knowing that God must have a higher purpose in mind for Barry. I will continue to keep you in my thoughts and prayers. Love, Iris
