“ I worked side by side with Becky for 25 years. She was so much more to me than just a co-worker. She was an incredible human being who made my life, as well as so many others, better by just knowing her. She was the epitomy of what every nurse should be. Becky took a little piece of my heart with her when she left, and I will love her forever. Til we meet again my dear friend.....

Becky was so loved by all that knew her. I met Becky over thirty years ago working in the same medical building. She was not only my nurse but also my dear sweet friend. My parents loved her too. She will forever be in my heart. You're at peace now Becky. No more suffering my friend. My prayers are with the family. Heaven gained a beautiful angel. I love you Becky.

Becky managed what the rest of us couldn't with her sense of humor and kindness. We want to wish you all the comfort she gave to us (and countless others) in so many ways. She will truly be missed.*
