“ *This year at Thanksgiving, I went to My Incle Jr.'s and we just sat and talked (he joked) Lol!!! All my life when I would tell him that I loved him, his reply would be "I love me too!". Something my grandmal said a lot too! This year though he replied differently, he said, "I love you too, Tonya!". I was shocked at first and all I could say was, "Wow, that's the first time you ever told me that." Bittersweet, this will always be my last conversation with him.*
