“ Dearest Richard, Geri, Rich and Mike,
I am so sorry for your loss. Betty was one gutsy lady! You knew when she told you something she meant it and you had better listen. (HA! HA!) I can only think of Betty as my second mom when we were younger. She was always looking out for me at the pool or the movies or next door at Annie's calling me Deana Elaine only when she was trying to get my utmost attention. I can remember as kids it was a real treat when you were allowed to sit up in the balcony at the "Flanary Theatre"---THOSE WERE THE DAYS!

It is so difficult to give up a parent. However, God gives us precious memories to keep them alive in our hearts FOREVER.

I'll be she and daddy are up in heaven right now laughing and catching up on old times.

I am so sorry that I will not be there with you today, but please know you are all in my heart!

*Love and Prayers forever!
