“ *I have been taking Mom to Dr.'s and two hospitals this week for her blood problem. We have a diagnosis, but she is still feeling too bad to be out much. They are taking out blood two times a week and she is weak. Jerry called yesterday and told me about John's Mom, and I told him I would come; however, I have been weak and sick all day. I am so sorry I can't be there. I love you and I am praying for you both. Love, Kay*
