“ *To Betty's Family: We were long time friends with Betty (and Roland). We were saddened by his loss and now we grieve her loss. We know that being "absent from the body" they are "present with the Lord." Still, you, and we, will greatly miss her as we have missed Roland. We will miss her monthly letters and the occasional telephone calls. Our prayers are with you. We pray God's grace and comfort for you during this difficult time.*

“ From the Willets' to all of the Rills, we express our deepest sympathy. I really wanted to come down to the service but could not get away from home responsibilities with family and church. I have awesome memories of Betty-some of my favorite childhood memories were spent at your home in Frizzellburg. Callings and distance have caused us to drift, but I spoke often of your family as examples of faithfulness, dedication to the Lord, and godly example of what it means to be a true servant of the Lord. now Betty is pain free and rejoicing with my mother who went home in July. We thank God for the hope we have of our own reunion with family one day also. In our prayers-love to all,
Pastor Glen Willet (for the Willet family)

“ Kari and family, I am so sorry to hear of the loss of your Mother. You need to celebrate that she was a faithful follower of Christ and is now resting in heaven.
