“ *I would like to honor one who has always and will always hold a special place our hearts and lives. Circumstances prevent them from attending the service tomorrow, but they will be there in heart and in spirit. I offer this loving tribute on the behalf of my parents, Oren and Patricia (Newman) Jennings.*

“ *Betty meant so much to me. We talked on the phone for hours about our families and their lives. We both had a love of genealogy and the things of the past.*

*Betty trusted Christ as her Lord and Savior and was able to go home to Him. I shall miss her so very much. I know I will see her again.*

*Love from all of us cousins that are left of the Newman clan.*

“ Still

*I look around and still I see  
Her standing there looking at me.  
Her smile I see wherever I go.  
It seems to say I want you to know.  
Wherever you go, whatever you do  
I will be there walking with you.*

*I walk, not alone, but I sometimes feel so.  
It is hard to continue daily even though?  
I know that she has moved on, away from this place.  
I know that I cannot really see her face.  
But I shall not forget the smile that she shared.  
The love that emanated showing that she cared.*

*I remember the times we had shared together.  
I remember the sorrows and tears that we weathered.  
I long for the days when together we would be  
Laughing, smiling, and sharing together just her and me.  
Memories of our love help me to keep strong  
Until we will be together again all the day long.*

*Your are in our thoughts and prayers,  
Diane Dye*
