“ I am very sorry about Betty's passing. I am temporarily residing at the Commonwealth Assisted Living at Claypool Hill and am unable to attend her service. I have many fond memories of my sweet niece, especially her coming over to play at my house with my daughter when they were young. She used to go to the store and buy brown sugar, and she loved to eat it right of the box. I also remember when my mother and I kept Betty's children while she was delivering another baby. May God comfort you in this time of loss.

Love Always,  
Aunt Emily Underwood
