“ Betty always had a smile other face and never met a stranger. When we visited her she always had a hug and a smile for us. She was a very independent lady who will be deeply missed. She never looked her age because she was very young at heart. Our thoughts and prayers go to Jim and Wanda who were with her everyday and the rest of the family. We use to laugh when Wanda would tell us about Jim and Betty seeing who could get to the mailbox quicker each day. We will miss her very much!
