“ *U can shed tears that she is gone or u can smile because she has lived. You can close your eyes & pray she'll come back or u can open your eyes & see all she's left. Your heart can be empty because u can't see her , or u can be full of the love u shared. U can turn your back on tomorrow & live yesterday or u can be happy for tomorrow because of yesterday. U can remember her & only that she's gone or u cherish her memory & let it live on. U can cry & close your mind, be empty & turn your back, or u can do what she'd want, smile, open your eyes,love & go on.*

“ *If I could count all the tears that have fallen it would seem like an ocean to me. And if my heart were a window you could see thru oh the pain and sorrow you would see. But tears will never stain the streets of that beautiful city in heaven*

“ *Beulah was my aunt. I hadn't been able to see her for a long time, but I will miss her dearly. We exchanged Christmas cards every December, and she loved seeing pictures of my girls. I will miss seeing her handwriting on those cards, that reminded me so much of my grandma. I hope she knows how much I love her. My condolences to her family.*

“ *We went to bed with such heavy hearts. We fell in love with your smile, your heart, your laughter, and most of all your love. Your love for god, your love for family, and your love for every stranger you met. We lost you yesterday, but we know heaven gained a true and special angel. We love you from here to eternity. Your memory will stay in our hearts forever, and not one day will go by without us thinking of you.*
