“ *I am so sorry for the loss of Bill. He was such a wonderful person to be around & was always the same person day after day. He had such a loving heart & a kind, gentle soul. I remember when him & June started seeing each other when my great grandmother was alive & she was looking after her then they gotten married. Bill was loved by all who knew him & will be missed by everyone as well. May God continue to Bless his June & his family during the time. Until we meet again one day*
