“ *"I am so glad, that Billie was someone I had the privilege to get to know! The world is a happier place because of people like her. Never a sad day, did she ever seem to have, even though I know there must have been some. To be with her was uplifting, and your day seemed better! We hurt here when they leave us, but this is not the end. She's having better days, and talking to her mother and friends, a brand new world of smiles, and no pain. Our hearts cry with you. To Paul, Paula, and Joe, all our prayers have been with you, and God is still with us! Rick and Michelle Short*
