“ *I worked at Golden Age Memory Care where Billy was a resident. I absolutely loved his smile and his heart, he truly was a special man. I told him one day that when the Lord gave him his heart, He picked out the very best one. I will miss him and love him dearly. I'm thankful I was able to have his presence in my life, I have been blessed by him.*

“ *Sandra, I did not know until today that Billy had passed away. He was such a good man and cared for so many people. I always enjoyed waiting on him and your Mom in the day. I still have her peanut butter fudge recipe. Love you all. God Bless and I am truly sorry.*

“ My name is Lisa and I am a student at the Appalachian College of Pharmacy. As part of one of our classes we are assigned a resident at Heritage Hall to visit and check on each week. Billy was my patient and I enjoyed my weekly visits with him and I am truly going to miss seeing and talking to him. He often told me about his family and friends and how they would come to visit with him and about things that happened in the past. I send my prayers and thoughts to his family and friends.
