“ *Bob was a dear friend to me for over 20 years at SWVTC. He was so much fun to work with. He always had a special greeting for all who knew him. My favorite memory of Bob was to watch his hard work and determination as he made his bows to give to his family and sell to his coworkers. His smile was contagious and everyone loved him. I will forever be changed by Bob and his spirit of love. His family was also very nice to all staff who worked with Bob. He will be missed...but oh what joy as he walked into his heavenly home. God bless you all...and thanks again Bob. Will meet again and I will have your favorite socks in hand.*

“ I am so sorry for your loss. Please accept my sincere condolence. Bobby was a very special person to many of us at SWVTC. And if Bobby liked you he would take up for you. I will always remember him pointing his index finger in the air, and telling you how he felt about the subject. Heaven has receive an Angel and until we meet again. Prayers for the family.
