“ to Bob-boo you have been more than our uncle you have always been our friend the "mischief maker", the "candy man" when we were children and a shoulder to lean on as adults. My children have always looked up to you and you have been their serogate grandfather since Daddy passed away. we just want you to know we love you and miss you so very much, but we are so happy that you are Home with Jesus and the family that has waited for you. I love you

“ Bobby: sweet, funny, caring, loving, "the most handsome man in the world" as told to me numerous times throughout my life, and my rock for many years. Never will you be forgotten. It will be hard not having you around but I will see you one day and we'll pick up where we left off. LOVE YOU MUCH....

“ *One thing I know....I got my good looks and smarts from the Lyons side of the family....so Bob-boo always told me! My mind keeps going back to when daddy was building the "new" part onto the house in the Valley and we would climb up the stairs to the landing and jump off and Bobby would catch us. I guess that's how I have always thought of him.....there to catch me if I fall. I always felt a special bond with Bobby. I miss him dearly already but I take great comfort that he is in no more pain and I will see him again one day when I am called to be with our Lord and Savior. I am convinced the smile on his face at the end was in repsonse to hearing "Well done, my good and faithful servant." Love you Bob-boo.*

“ Bobby was always kind to me and I remember all the V.F.W. graveside services we took part in. He was a true hero in serving his country, and I know how much he loved the Lord.  
This just gives us one more reason to look forward to going to heaven.  
God bless each and everyone of you during this time.
