“ Judy,
Please know that you and your family are in our prayers, and thoughts as you go through this. We all have good memories of you and Bobby back in Raysal. Judy, when my husband passed in 2006. I remember reading : Don't cry because its over Smile because it happened. Everytme I think of David I smile, because of the life we had together. I know this will not ease the pain, but maybe it will get you through the day along with your faith in God.

“ Judy, I don't have any words that will take away the hurt that you feel. Just know that Bobby is in heaven, a home that we all want to go to when our time here is finished. I believe he is there with Dad and they are waiting for us to join them. Please know that you, Bobby, Krystal and your family are in our thoughts and prayers. Love you all.
