“ *I miss all the little ways you showed you cared, For there were so many good moments we shared; Looking back on my life's assorted scenes, I realized you taught me what love truly means; You were my trusted confidante and best friend, On whose loving support I could always depend. I look at your smiling face in all my photos; Memories flood my mind as I touch the mementos From the happy times you and I have had, But now these bring tears and make me sad; For the time together went by in a wink, Life was not as long as we'd like to think. I miss you so much and love you with all of my heart!*
