“ *Dorce and family,
I am so sorry to learn of Louise's death. Wonderful memories of the days working with her at the Mattie Williams and I so enjoyed the times I talked with her at the Fishermans Net. She did always have a smile for you.
The staff on 2nd floor at the Mattie loved teasing her. I recall them telling her she had a phone call and when she answered the phone she was talking on the intercom and she was saying "Hello hello ...then "there isn't anyone on this phone" and then realized she was talking all over the hospital. She just laughed with them, but I do think she was careful about answering phone calls after that.
I know she will be greatly missed. She will always be with you in your heart through your memories. May God comfort and guide you in the days ahead as you cope with your loss. I will have you in my thoughts and prayers.
