“ *I am so sorry to hear this news. May God bring you comfort in the time ahead. I had the opportunity to be Bradley's homebound teacher when he was in middle school and I remember a little boy with a sweet and kind spirit. My thoughts and prayers are with you all at this time.*

“ I remember each year going to the beach and watching a little boy run towards the ocean waves and hearing his mom call his name so he wouldn't get to close to the water. I can still hear Lisa calling "Bradley" just like we were on the beach yesterday. You are in our thoughts and prayers. We love you all! Beth, Gary, Kole, Kruz, and Kase

“ *We thought of you today.  
But that is nothing new.  
We thought of you yesterday  
And we will tomorrow, too.*

*We think of you in silence  
And make no outward show.  
For what it meant to lose you  
Only those who love you know.*

*Remembering you is easy.  
We do it everyday.  
It's the heartache of losing you  
That will never go away.*

“ Bradley Jarrod had one of the kindest, loving, most gentlest hearts! It's sad he was taken away from us at such an early age, but we are blessed to have the time and memories that we get to carry with us throughout our lives! I love and miss you Bubby! I have peace knowing you are in Heaven watching down on us celebrating your life! I look forward to the day when we get to reunite and laugh and share all our memories (and we had some good ones)! You are truly loved and missed, your sister

“ I remember a little blond curly headed boy years ago when we lived in Va. He was shy and I would like to tease him. We love you Lisa and Donnie and we will be praying for you. Remember God knows what you are going through. Cast your cares on him and he will give you comfort. Love. Aunt Patti & Uncle Bueford
