“ Deal Lonnie and Becky

We want to let you know that our hearts and prayers will be with you for a long time. There's no way we can express our sorrow to you. Our prayer is that God will comfort you and ease your pain as much as humanely possible and you will be able to draw your strength from Him and each other in the future. We ourselves cannot even begin to comprehend your heartache. We wanted to let you know we love you but most importantly God Loves you deeply.

“ So sorry you lost Brad. I can't imagine what it is like to lose your only child.
I'm unable to come to the funeral home, but wanted to express my deep sympathy.
Tom won't be able to attend either... He has been trying to un-stop my septic tank lines all day and won't have supper for a while yet.
We all are saddened by Brad's death, and praying for you.

“ I have such wonderful memories of Brad as child but then I was a mere child too when we spent so much time together with our Aunt Mary in the blue station wagon. Those are memories that I will cherish forever and would take nothing for them. As we grew older, we grew apart but my love for him and my fondness of him never waivered. My heart is very heavy with grief because I will never be able to tell him how special those times were. My wish for his family is that peace, comfort and understanding would be yours. I love you all dearly.

“ This has weighed very heavy on my heart. I have thought of Brad often over the past few months as I have been trying to reconnect with some of my high school friends. Brad was always a great friend. I had the opportunity to get to know him at school and during our adventures on the track team. Lots of good memories. Our thoughts and prayers are with you and your family.

“ *Becky, My heart breaks for you at the loss of your precious son. May God comfort you at this time. It's not always for us to know what God's plans are or why He takes people from us when He does. I know that it doesn't ease the pain, but I guess we can take comfort in knowing that God must have a much higher purpose in mind for Brad. May Brad's spirit forever live in your heart and may the wonderful memories you have of him, comfort you when you need it most. Heaven has received another special Angel and Brad is now in the presence of the Lord. Love & Prayers, Iris*
