“ I was not a particularly close friend to Brenda but am saddened to see she has passed. In all my interactions with her, her personality made you feel as if you were talking to a friend. She was always kind and patient. Prayers for her family.

“ Brenda was a bright sport in my day. She will be sorely missed. She looked so much like her daddy. I saw Lawrence every time I saw her. Virginia, I feel your loss and I know she is looking down on you right now, saying "It's alright mom. We'll be together soon. "
