“ *Patty was a real joy and blessing to our family. She is at home now with Mamaw and Papaw and will be missed, but we will all be together again one day. Our prayers are with the family at this time.*

“ We extend our deepest sympathy to your family at this time of great loss. Our daughter, Sarah Beth, has been a resident on 12-B with Patty for 12 years. Sarah Beth told us on Monday evening that Patty had passed away. Sarah Beth has a deep concern for others & wishes to let you know that she is "very sorry" and is praying for you. Patty will be missed by her.

We have sent Christmas & other holiday cards to all the residents on 12-B for several years, along with our church and other family members. You may have seen these cards from time to time. Please know that we all are thinking of you at this time.

You are in our prayers. God bless & give you grace & strength in the days ahead.
