“ *I have known this family for a long time, to me they are a part of my family. Sometimes when something like this happens there are no words to express how you fell. My prays and thoughts go out to them .To you Missy you lost a part of you that can never be replaced ,but you also have a part of him that will always be with you,and to you Burley and Shonda you both lost a father ,but you also have his blood flowing in you so you to have a part of him. And to all his friends you can still keep a part of him by remembering the good times you had with him. So may God send his best angels to carry you home and keep you in his love. Shell*

“ *Melissa, I was so sorry to hear about Burley. I did not know anything until today May 8. I wish that Noel or Chad would have called me to let me know. I have been back in Richlands since March of 2011. If I had known that he had been sick I would have came to see him. Would love to hear from you all. You all will be in my prayers.*
