“ *I'm so sorry about Burley. I worked with him for about 4 years. He was such a likable guy.*

We were out of town or I would have attended the visitation services. My prayers to the family and friends. He will definitely be missed on this Earth.

*Take care.

“ Dear Teresa,
Wow...talk about "for better or for worse," and "in sickness and in health"...you two went through it all in your short time together, but especially this past year. Burley bucked up and tried to face it all head on, like a manly-man, and you were MORE than right there by his side - you did EVERYTHING you could possibly do. I hope you know that, Teresa. Be happy that you had the time together that you had, and be happy that he passed on at his comfortable home, instead of that cold hospital surrounded by strangers. I know you'll miss him, but I just KNOW that he'll be more comfortable and pain-free now. All you have to do is call me.

I love you.
