“ To Our Dear Friend of Many Years, Vera, and extended family:
Our sincerest condolences to you as another Angel, Calvin, has been called to Heaven. Calvin was a very dear friend who always had good things to say and a smile on his face. He will never be forgotten for he has been in our life for so many years. We can only imagine the sorrow you are feeling now and it does get easier but doesn't go away for they are in our hearts forever. When God requests another Angel we have to let go of someone we love and we are sorry this time was for Calvin. He'll be remembered always in our hearts, thoughts and prayers.

“ I have a heavy heart tonight, this was the last family member I had of my Mom left, and he was always my favorite uncle, he lived close and I was with him more. Both of us had an eye disease that we had to go to Beckley WV fairly often and we always had a good time on that day. I don't know what either of us would have done without my friend, Patsy, Uncle Calvin and I really appreciated her. Time changes everything, and we only here for a season. Now his season is over and I can see him and Ethel walking on the streets of Gold holding hands. I love you Uncle Calvin, you know I told you every time I kissed you bye.
