“ *The Sparks family would like to say that we are sorry to hear about Joe's passing away. He is in the hands of God now! He will never suffer here on this earth again. I know just how it feels to lose a loved one, that really means a lot. It is really hard to accept that they are really gone. However, when it is our turn to leave this world, we have the opportunity to see them again. We just need to accept the Lord for our personal Saviour. I am sure that Joe will be missed by many people.*
