

## Carl Junior Davis

September 29, 1938 - February 4, 2020

Carl Junior Davis passed in peace at the age of 81, on Tuesday, February 4 , 2020 surrounded by his loving family, in Richlands, Virginia, following a lengthy illness.

He was born in Mavisdale, Virginia and was the son of the late Charlie Hubbard Davis and Grace Virginia Phillips Davis. As young men often did in those days, Carl took his place in the United States Army and served his country during the Korean War era. After returning home, he began a long career in the coal industry, working for Jewell Ridge Coal Company for 38 years, and owning and operating several mines for the next 11 years. Because he was never one to sit still for very long, he worked at The Silver Spur over the next decade before he decided to finally retire. Carl had a great love and affinity for music, and over the years he has had the opportunity to share his musical love and talent of singing and playing the base and the guitar. In his young years, he sang bluegrass/country with a small band and later gave his life and talent to God, giving him the glory for his talent and everything in his life.

In his quiet days, he enjoyed trolling the lake in his john boat while leisurely fishing the day away. Carl was a kind and gentle person who loved spending time with family and friends. Over the years he donated his time, money and talent as a carpenter to several churches in the area before settling down and

becoming a member at the Greens Chapel Church in Paintlick and in lieu of flowers, he requested that donations be made to the Greens Chapel Church in his memory. Donations may be sent to, Greens Chapel Church 4525 Wardell Rd, Pounding Mill, VA 24637

Carl was reunited in heaven with his parents; first wife, Geraldine Davis; an infant sister and his other siblings and their spouses, Ruby Browning and husband, Clyde; Betty Tabor and husband, Glen, Dot Griffith and husband, Raymond; Ted Davis and wife, Naomi; Curtis Davis and wife, Effie, Johnny Davis; sister in law, Carol Davis.

“ *Of all my uncles, Junior was one that I admired the most. His knowledge, wisdom, guitar playing and funny stories I have always remembered the most about him. Even the time he was using his bulldozer to re-grade the road up to the old homestead. I was very young but He lifted me up and let me ride beside him while he worked. Was the highlight of one of many great memories. I wish I could have came to the funeral, but traveling around the Country, I get news from back home delayed. You will be missed Uncle Junior.*

“ I'm his son in law. I couldn't ask for a better man than Carl. He was always there when I needed him. I saw goodness in this man toward others and was always thinking of them before himself. He was a great father to his only child Karen and made me feel so welcome that I thought of him as my own Dad. We will miss you Junior Davis. I will miss you Dad. Love you.
