“ *He will always be remembered as you share the stories and the memories of how he lived his life and how very much he meant, may you find comfort...And, throughout this difficult time, may you also know the deep sympathy and concern that is felt for you and all your family. Even though words can't take away the sorrow that you're feeling. I hope you find serenity in knowing that your care, love and courage have meant so much to your father. And that somehow in some small way, that makes a difference and bring you peace.... I have fought the fine fight, I have run the course to the finish, I have observed the faith.-2Timothy 4:7. As for me, I will lie down that I may sleep; I shall certainly awake, for Jehovah himself keeps supporting me. -Psalms 3:5*

“ Carl had always been helpful and kind. He always seemed like a family member. My kids always called them uncle Carl and aunt Lillian. He was so much help specially during the illness of Max. Carl kept an eye on the kids, was a generally good and kind friend through the years we have known him. He will be sadly missed by our whole family. Our thoughts and prayers are with all of you.

“ Gladys and family,

I am sorry to hear of Carl's passing.

My father (Andrew Davis) and Carl were good buddies in their younger days. Daddy always spoke of Carl with a smile and funny story of their times they shared together including the time they moved to Ohio to find work as young men. I always loved to hear stories of their adventures when daddy would tell them. The last time I saw Carl was a few years ago and he was still smiling and recalling the friendship of my dad and himself.

May God grant you peace and comfort during this most difficult time.
