“ *Mike:*

My deepest Sympathy to you and your Family during this most difficult time. My prayers and thoughts are with you. Il hope this gives you comfort.

Beyond the Sunset

Should you go first and I remain, to walk the road alone. I'll wait for the rose's red, when faded, lilacs blue. In early fall when brown leaves fall; I'll catch a glimpse of you. Should you go first and I remain, for battles to be fought, each thing you've touched along the way will be a hallowed spot. I'll hear your voice, I'll see your smile tho blindly I may grope, and the memory of your helping hand will buy me on with hope. Should you go first and I remain one thing I'll have you do, walk slowly down that long, long path, for soon I'll follow you. I want to know each step you take, so I may take the same. For someday down that lonely road, you'll hear your name.
