don't have a # for Paul, we would have been there I think of you often,you know mom was the one that kept us half way seeing each other, after mom had to go home ,Jake just didn't go so much, and as kids we grew up everyone just drifted here and there, we'd talk and wonder how everyone was,never once picking up phone to check,we just figured we was all forgotten about,sad but thats how things are these days,
Dorothy I wish you PEACE IN YOUR HEART
hope you still trust in Him,He is our comfort through all things GOD
