“ *Carol came into fasmart every day to get a lottery ticket, a chicken breast and a Pepsi and would say inside the store to eat. . I've been here going on 7 years in Carol has been in here daily and if she missed a day or two we would always worry about her till she finally showed up.... She has been missing for the past few weeks but we had no one to check on and didn't even know her last name we just knew her as Carol.... And everyone who worked in the store knew who we were talking about. She will be greatly missed . She was such a beautiful soul.*

“ Was very sad to read this. My parents have been neighbors with the Baileys for years. Their community have lost many wonderful neighbors recently. Carolyn was nice to me as a young girl and taught me a lot about horses and let me ride her precious Sundancer he was beautiful and gentle. Our family has been very sad to hear of her passing

“ Carol was our Baby sister and was always loved by her family’. Peggy loved her so Much and treated her like she was her baby. They had a very special relationship. She was our gift and the last baby in our family. She is my last member of the family out of the five children and that makes me feel very lonely
