“ Although we don't know many of Carolyn's large family please know that our hearts go out to you at this difficult time - your mother was a wonderful person and our lives were made richer having had the priviledge of knowing her. To our dear friend Nancy, we love you and feel your pain - please know that you're in our thoughts and prayers. Thank you and Patty for making it possible for us to visit with her just last weekend. Patty, there is now a void in your heart and in your home that only time will ease. It will get easier-we love you.

“ *If tears could build a stairway and memories were a lane. We would walk right up to Heaven, to bring you home again.*

No farewell words were spoken. No time to say good-bye. You were gone before we knew it and only God knows why.

My heart still aches in sadness. And secret tears still flow. What it means to lose you Grandma, No one will ever know.

*You and Angels around Gods happy throne.
We would have held you closer if we had only known.*

We love you Grandma. Rest in Peace.
