“ *We will all miss Carrie. She was a special lady. We have fond memories of her. One special memory we have of her is when she came to our office a couple of years ago. She was all dressed up and wearing her high heels. She looked so good. We all told her we hoped to look that good when we got to be her age. She took such pride in her appearance and never seemed her age. She always liked to take care of our plants in the office. We got in trouble every year if those plants weren't watered and taken care of properly. She even repotted a plant for us so that it wouldn't die. We will miss her spark and good humor. Our sympathy goes out to all of the family. God Bless each of you.*
