Cat was an amazing woman whose smile always gave joy to anyone around her. She was a wonderful Aunt that I will always remember as someone who could cheer me up and make me smile. Kit Kat will be forever missed, praying for Lester and their children.

“ To Cathy's family, I'm so sorry for your loss. She was kind and giving and she could get on to you at times to. she did it in a way that you couldn't get mad at her. We always tried to help each other out when needed. taking kids to school or going to school for one of the kids, babysitting, just what ever it was we tried to do what was needed. we had a rocky start at being friends but it worked out pretty fast. We talked for 30 years. It will be strange to think she is not there. But I know she is looking down on us now and I know she is without pain. She is free of that bed now. I know she is at peace. Until I see you again my friend, sending love to you in heaven. RIP Cathy

“ Cathy was so good hearted. If she had something and thought for a minute you wanted it or needed it, it was yours. I have so many memories with her. Memories now that I will cherish. I think what I will miss most is her laugh. Cathy I hope you are laughing now, I hope you and your sister's are laughing and smiling and looking down on us. You will forever be missed. I pray your children will somehow find peace. I love you!

Dear Mom, I wish i could just have 30 more minutes with you to tell you just how much you mean to me. I feel like i didn't tell you i loved you nearly enough. I will miss you dearly and i can't get you off of my mind and i never will. You was there for me rather i was right or wrong. I always came to you for everything no matter what it was. Thangs will never be the same .I catch myself going to your room or waiting for you to call upon me. Mom i hope and pray that i get to see you again on the other side. I just miss you. Your baby boy will be ok. So don't ever worrie about me because i know that you you will be watching over me. I guess i am been greedy because i didn't want to let you go but i know that god has got another beautiful Angel and i know that you happy up there in heaven and singing your heart out. Mom i love you with all my heart and you will always be in my heart and no one will ever be able to take that from me. Mom i love you and miss you, your baby boy, adam
