

Celia Smith

February 2, 1928 - June 29, 2004

Suddenly on June 29, 2004 our precious Mom left to be with her Lord and Savior. He came, took her by the hand and said "Come child, your work is done and it is time to come home to be with me now?". Mom went without hesitation, without looking back at her earthly home. We love you so much that when we looked around, you were no longer here, but we looked again, and you are everywhere. We know you left without telling us bye, but because we love you, we will try to know what to do. So we look in the mirror and tell you what we see, it won't be us it will be you. God gave you to us for 76 years, and You're with Daddy now, (The late Rev. Berlin Smith) and please wait by the gate for us, we will soon be with you.
